Table Captain Packet

Serving people with disabilities in their effort to contribute to the community
Our efforts increase society's awareness of human potential.

DEAR TABLE CAPTAIN

We're thrilled you have chosen to be a Table Captain for Garten's Seat at the Table Luncheon! As a Table Captain, you are asked to fill a table with six people, including yourself, by personally inviting those in your network to join you at your table for the luncheon. Inviting your contacts to the event to learn more about the work of Garten Services increases the potential for building additional support for our mission in our community.

It's a good idea to invite 8-9 people to ensure your table is filled, as schedule conflicts can arise, and it's common for a couple of guests to back out. Having a slightly larger invite list provides a buffer to help keep your table complete.

In addition to attending the luncheon, we are encouraging our Table Captains and their guests to schedule a tour of our facility before the event. A tour offers a firsthand look at the impactful work happening at Garten Services and helps to deepen connections to our mission.

Thank you for supporting the important work we do.

ABOUT GARTEN SERVICES

Garten Services, Inc. is a 501 (c)(3) non-profit organization that provides career, employment and retirement opportunities for people with developmental, intellectual and physical disabilities. We focus on the abilities and unique competencies of each person with disabilities whom we are privileged to serve, rather than merely their limitations. We realize that individuals are the best judges of the quality of their own lives, so we engage in an ongoing dialogue that incorporates their experiences, opinions, and desires into the services we provide them. We provide the support necessary to help each person with a disability succeed in connecting and contributing to the community.
